

HUDSON COUNTY SCHOOLS OF TECHNOLOGY

SUPERINTENDENT'S OFFICE

The Hudson County Schools of Technology is continuing to address the growing concerns surrounding COVID-19. **At this time, there has been no indication that this virus has made contact with any member of our community.**

To support the continuity of instruction and operations, our district conducted a half-day session on Thursday, March 12th, 2020 to plan and prepare out of an abundance of caution.

Our dedicated operations staff has been working around the clock to keep every building and school bus disinfected, with all surfaces and common areas being scrubbed multiple times a day.

While we are aware the North Bergen Board of Education has already decided to close its schools, **the Hudson County Schools of Technology is operating a full day schedule and classes will resume according to the school calendar.**

We are committed to providing students with a world class education in a safe and clean environment and with no immediate threat to the district, we will continue to operate as normal.

Should anything change, we will immediately notify all parents and staff. We are continuing to meet with our state and local partners to ensure there will be no interruption to our academic curriculum or programming. **Please remember if your child is sick, keep him/her home from school to prevent any spread of illness.**

Thank you again for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Amy Lin Rodriguez". The signature is written in a cursive, flowing style.

Amy Lin-Rodriguez, Superintendent
