

Office of the Superintendent HCST Graduation Update: ATD/CPHS, HTHS, EXP June 7, 2020

Dear Class of 2020 Students and Families:

Thank you for your patience as the HCST School Board, Administration and graduation committees remain dedicated in planning to honor your time as an HCST student and provide an effective and safe, in-person event to receive your diplomas with your family's support.

We appreciate the understanding students and parents who positively provided input throughout our planning process. Our graduation committees continue to create a virtual graduation that will encompass the most important elements of a commencement ceremony that could not be achieved, in-person, within the state regulated guidelines. Again, we recognize that a virtual ceremony is no match for holding your diploma in-hand for the first time.

Each school will host an in-person opportunity that is memorable and complies with the current social distancing guidelines in place. Your school will directly contact you with your scheduled event time and other essential information pertaining to campus regulations. Please be on the lookout for this information this week!

We all recognize this celebration may look different than a traditional graduation ceremony, but in no way diminishes the significance of your accomplishments and our pride for the Class of 2020. Let me remind you, we are so very proud of you and your resilience throughout these unexpected times!

Please save the date and time for your school's Class of 2020 Virtual Commencement Ceremony:

Explore Middle School – June 19, 2020 at 12:00pm

High Tech High School – June 25, 2020 at 10:00am

County Prep High School/ATD – June 25, 2020 at 12:00pm

Formal invitation will follow.

Thank you for your understanding and continued support of our decisions.

Best Regards,
